1. All the artillery troops from the Delius Kaserne, Potsdam (N 53/2 63), left the installation toward Michendorfer Chaussee on 16 February 1951, taking four field kitchens with them. They returned during the night of 17 February. *

25X1

25X1A * Comment. The artillery troops were components of the unidentified artillery division in Potsdam. They probably left for a winter exercise in strength of one battalion, as is indicated by the number of field kitchens. Similar observations were made on 8 February.

25X1

25X1A Short winter exercises of units up to battalion size are at present being conducted at numerous posts.
